Animal Parent programs are valid for a one-year period and can be renewed annually. All animals may have many *Animal Parents* and remain at their Naples Zoo home, but we hope you will visit often! No ownership rights are conferred by becoming an Animal Parent. Animals may not be on exhibit or in a show on any given day. Because of the nature of living animals and cooperative breeding programs with other zoos, sponsor animals are subject to change. You will be notified via e-mail if there are any changes in the status of your animal.
